ORDER

The complaint in this case alleges that Wisconsin's current legislative districts are unconstitutionally malapportioned. Chief Judge James D. Peterson, to whom the case is assigned, notified me under 28 U.S.C. § 2284(b)(1) that § 2284(a) requires a three-judge district court.

Hunter v. Bostelmann, No. 21-cv-512-jdp, raises a similar challenge and is also assigned to Chief Judge Peterson. On August 17, 2021, I appointed Circuit Judge Amy J. St. Eve and District Judge Edmond E. Chang of the Northern District of Illinois as the additional members of the three-judge court in *Hunter*. These cases should be heard by the same panel.

Accordingly, I hereby designate Circuit Judge Amy J. St. Eve and District Judge Edmond E. Chang as the additional members of the three-judge court in this case.

Diane S. Sykes, Chief Judge
United States Court of Appeals
for the Seventh Circuit
